### Ketubah information Form

If you wish to write your own text you can order a blank ketubah print in the designs where that option is indicated. If you wish to use a text other than those we provide please e-mail or fax the text to us, and we will provide you with a quote for doing the calligraphy. Please have spellings of the Hebrew names verified by your Rabbi or Officiant. If that is not possible we can help you with the Hebrew spelling of names and places as well as determining the Hebrew dates. Once the form is filled out it can be scanned or faxed to us. Our fax number is 416-635-7356. Please print write or print clearly and legibly.

All information should be written exactly as it is to appear on the ketubah. Errors due to incorrect information will result in additional charges.
